man **3**, baby **1**, boy **2**	woman **2**, grandmother **3**, girl **1**

Sheet 4 · Odd one out

row 1: **car**	row 2: **frog**	row 3: **chair**
row 4: **parrot**	row 5: **scissors**	row 6: **mushroom**

Sheet 5 · Plant or animal

horse: **animal**	sunflower: **plant**	snail: **animal**	cactus: **plant**
parrot: **animal**	frog: **animal**	rose: **plant**	maize plant: **plant**

Sheet 6 · What plants need

water	**sunlight**	**air**

Plants also need soil for most kinds, and space to grow.

For grown-ups: the robot, car and clock trick many children because they move or tick. Ask: does it eat? does it grow? can it have babies? If the answer is no, it is non-living.
