Tips for grown-ups

- Say each picture name slowly before your child circles it. If your child uses another name for a picture (sick for ill, or puppy for dog), say the word on this page together.
- Stretch the first sound: /y/-/y/-/y/ yo-yo. Ask your child to say it with you and feel how their mouth moves.
- Hunt for more /y/ words around the house, in a book or on a walk.
