

Words to Know: Mix and Fix

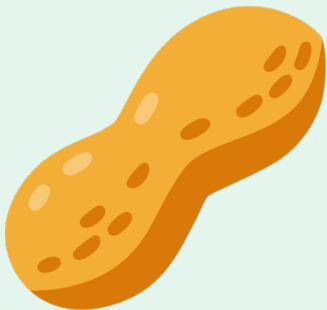

Point to each picture, say the word, then blend the sounds: p-o-t, pot.

pot

bun

nut

mix

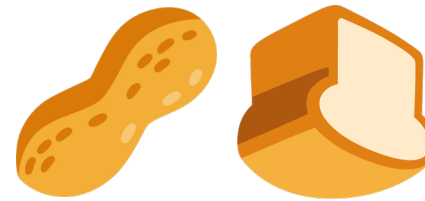

Tricky words in this story (say them, don't sound them out). Sound out all the others:

a · all · ate · good · have · is · now · put · the · we

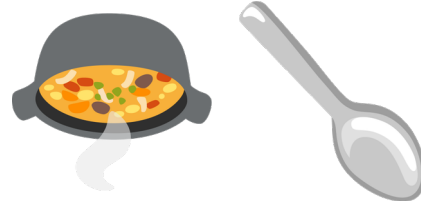

We have a big
pot.

Put in a bun and
a nut.

Mix, mix, mix!

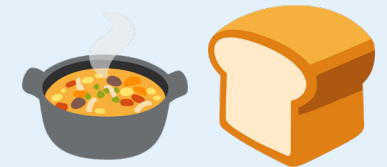

Now it is hot.

How to Fold Your Mini-Book

One sheet of paper makes an 8-page book. No stapler needed.

1

Print page 2 on its own (landscape). Ordinary A4 or US Letter paper works.

2

Fold the sheet in half the long way (top to bottom), crease and unfold.

3

Fold it in half the short way, crease, then fold each half back to the middle so you have eight panels.

4

Unfold. Fold in half the short way again and cut along the middle dashed line only, from the fold to the centre.

5

Open it, fold it long-ways again, and push the ends towards each other so the cut opens into a diamond, then folds flat into a book.

6

Press it flat with the cover on the front. Done!

Read together

- Read it to your child first, pointing to each word.
- Then let them read it. Help them blend: “p-o-t... pot”.
- Sight words like “the” and “is” are said, not sounded out.
- Ask one question per page: “What is in the pot now?”
- Read it again tomorrow. Re-reading builds speed and confidence.
