

My Winter-Break Plan

One small thing a day, about 10 to 15 minutes. Tick each day when it is done.

Name: _____

Date: _____

Day 1

Say the winter words on the picture chart. Trace them.

Day 8

Trace your shadow with chalk in the winter sun.

Day 2

Trace the winter lines. Try the pencil page too.

Day 9

Winter animals sort. Which one would you like to be?

Day 3

Winter walk: spot 3 birds. Are they big or small?

Day 10

Share 10 orange segments fairly between two people.

Day 4

Snowflake ten frames. Then fill an egg box with 10 buttons.

Day 11

Snowflake symmetry, then cut a paper snowflake.

Day 5

Paint with ice cubes (freeze water with a drop of food colour).

Day 12

Read the winter sentences out loud to someone.

Day 6

Dress for the weather, then sort your own warm clothes.

Day 13

Winter maze and word search.

Day 7

Snowmen small to big. Line up 5 things at home by size.

Day 14

Winter where I live: draw your winter and tell a story about it.

More ideas for cold days: bake together, build a blanket den, play a board game, call a grandparent, plant seeds in a pot.
